## **Payroll Job Mapping**

## Instructions

This worksheet lists the job codes and their descriptions from the payroll system, and classifies each job into a work group for summary reporting by work group. Set up Work Groups in the Work Groups worksheet.

Field Name Data Type Max Length Example

Job Name	Labor Category Entry	Payroll Source	Delete Switch
Character	Character	Character	Integer
256	50	40	1
FOOD SERVICE TRAINEE	6	PAYROLL	0

## **Your Data**

Job Name	Labor Category Entry	Payroll Source	Delete Switch
